AGAWAM JUNIOR HIGH

COVER DESIGN BY- SANDY LYNCH AND TAMMY KENNEDY

PUBLIC LIBRARY, AGAWAM, MA 01001

Goodbye Mr. Tatro

Most people measure happiness by the amount of money they have accumulated. Happiness by such a measure is fleeting. Happiness to me is helping to mold young people into worthy and useful citizens. It has been my good fortune to have been able to experience this happiness over a period of thirty-four years. The happiest years of all have been the nine years that I have spent with the students of the Agawam Junior High School. You truly "Light Up My Life". Good luck, much success and God bless you.

Thank You For Your Dedication.
Good Luck As
Assistant Superintendent.

The Agawam Junior High Welcomes Mr. O'Keefe

I want to thank the staff and students here at the Junior High School for the warm welcome I have received. We certainly have a school that we can be most proud of. You, the students, should take pride in the fact that you have been a part of making it the outstanding educational facility that it is.

Best wishes to the students in grade 9 in your years at the high school.

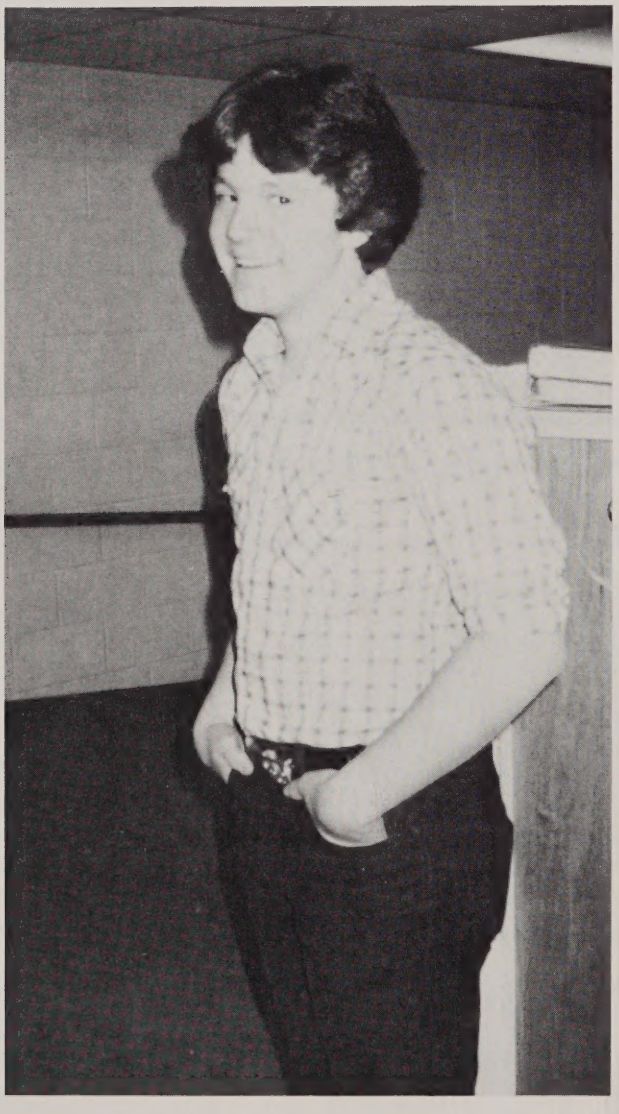
The Principal's Award



The faculty was polled to name a recipient of the first Principal's Award. It was determined that the student should be well liked by the students and the faculty alike and he or she should demonstrate the following:

- Trustworthiness, reliability, and promptness
- Respectful attitude toward people and property
- Helpfulness and cooperation
- Good conduct
- Good school spirit
- Involvement in school activities
- Contribution to school and community
- Good sportsmanship
- Good academic record

A plaque will be placed in the foyer of Agawam Junior High School to record the name of this year's winner and the names of those in future years.

Based on the consensus of the faculty, Todd Connery is the 1981-1982 recipient of the Agawam Junior High Principal's Award.

The Agawam Junior High Show Chorus, directed by teacher Susan C. Brown, and comprised of 15-20 singers, was formed this school year. The Show Chorus is designed to perform arrangements of popular contemporary music. They will be an added attraction at concerts featuring the much larger 200 voice Junior High Chorus. In the future it is hoped that the Show Chorus will represent the Junior High in performances at other Agawam schools and at various civic organization functions in the town.

In room 201 we find mathematics fun.
In room 209 French is fine.
In room 206 we learn English tricks.

The library has great books.
The cafeteria has good cooks.
It feels so cool to be in a big school.
Theresa Marciel

The Junior High means to us
A place to laugh, a place to trust.
We learned a lot and still had fun.
For two short years we were on the run.
Eighth and ninth were really new, but
We stayed together and made it through.
It meant a lot to say hello
To someone that we didn't know.
The teachers taught us all they knew.
They clued us in on what to do.
Many things have happened in the two years past.
The memories we have will always last.
Time goes by so fast it seems,
Just enough for a few laughs and screams.
We say good-bye and mean it, too,
To all of those who helped us through.
